

deep-fry oil.

We collect it, clean it and recycle it
so it can be turned into something
practical.

Darling does it all. From the efficient storage and collection of used cooking oil to comprehensive grease trap maintenance – we offer seamless solutions that keep your restaurant in compliance every step of the way. What's more, we recycle all that greasy waste so it can be turned into usable, eco-friendly products such as renewable energy, rubber and ink. Now that's practical. **Green for over 125 years.**

Find out more about our seamless solutions. Call 1.800.914.1221 or visit www.darlingii.com.
